HARNESS-BASED ACTIVITIES

Here's some of the unique and exciting adventurous activities the children will experience whilst on camp!

AERIAL TREKKING

With 2 levels at 3 & 8 metres, the kids will conquer their fears, supporting each other through a number of obstacles requiring balance, technique & confidence!

After this, they'll finish with an adrenaline-fuelled 12 metre simulated Freefall drop!

ZIP WIRE & KING SWING

An excellent adrenaline rush and confidence builder, the Giant King Swing takes kids up as high as 10m before sending them zooming through the air at up to 50mph!

They then fly down the Valley & over our pond on our 150m Zip Wire!

HIGH ROPES ACTIVITIES

These activities focus on team work, and are great for cementing new friendships and learning new skills - with each child rotating through a different role as the group attempts to build the tallest Crate Tower possible or work together to reach the top of the 'Peg Pole'.

CLIMBING & ABSEILING

Kids will get a chance to build their skills and face their fears as they attempt the routes on our 12m Climbing Tower!

With added challenges for confident climbers, those attending all week will be able to track their progress!

Children are always encouraged to give all the activities a go but are not obliged to take part if they do not wish to do so. If they are not taking part, they must remain with their instructors until the activity finishes.

Older kids (9 years +) can also try Arena Splatmaster, the kids Paintball game run in our post-apocalyptic style arena.

ASSAULT COURSE & TEAM CHALLENGES

Along with testing their agility on our Military-Style Assault Course, Camp attendees will get to try a huge range of challenges! From finding a way to transport their group across our pond (preferably without getting wet!) with only limited materials in Bosun's Chair, to helping their team avoid being caught in our Giant Spiders Web!

ARTS, CRAFTS & MORE

As well as getting involved with our exciting range of Centre Activities, kids may also participate in Arts & Crafts sessions, Bushcraft (campfire) sessions and go on Nature walks!

During their time at camp, kids will learn about our eco-friendly principles, focusing on the environment.

We're proud to be maintaining our **Gold Award from Green Tourism** and our title as an **Eco Active Business Leader**, and love passing our passion for sustainability and the outdoors on to others.

SEA-BASED ACTIVITIES

In May Half Term & Summer Camps, Camp will head to the beach on Thursdays for Surfing & Beach Games! During Summer Camps, they'll also get to try Coasteering & 'Mega' Stand Up Paddleboarding on Tuesdays!

COASTEERING

Kids will get the chance to scramble and swim around the exciting coastline of Jersey. Whilst taking in the stunning scenery, they will explore hidden coves and gullies, and learn about the abundant wildlife. For those brave enough there will even be the opportunity to test their nerve with a series of challenging cliff jumps!

Kids need to be able to swim at least 25m in the sea for this activity.

MEGA SUPS

The kids will jump on board one of our Mega SUPs with our fully qualified instructors who will laugh with you as you fall in the water. From journeys, to challenges and games, this session is full of fun!
